2nd part -

in the morning I went to the
shop, and then I went to the
market and bought some things,
and then I went to the
school and saw the children.

I was very happy to see
the children and to see
them all together. I was
very happy to see them
and to see them all together.
I was very happy to see
them and to see them all together.
I was very happy to see
them and to see them all together.

I was very happy to see
the children and to see
them all together. I was
very happy to see them
and to see them all together.
I was very happy to see
them and to see them all together.
I was very happy to see
them and to see them all together.

I was very happy to see
the children and to see
them all together. I was
very happy to see them
and to see them all together.
I was very happy to see
them and to see them all together.
I was very happy to see
them and to see them all together.
I was very happy to see
them and to see them all together.
